KEY PROJECTS:

EDS Branding & Website

[VIEW PROJECT](#)

This project was a logo rebrand of the company along with a full website overhaul. Graphics creation, content writing and graphics for the articles page, and website design and implementation were all key elements of this project.

SMS University

[VIEW PROJECT](#)

This project was a complete overhaul of an existing website designed to provide training to insurance agents. For this rehaul, a game like concept with heavily stylized backgrounds and buttons was generated. Custom illustrations were created to compliment the concept. Implementation of the site features and design were accomplished with WordPress Elementor.

Christy's Eco Gardening

[VIEW PROJECT](#)

This project was a logo and brand guide creation for an ecologically conscious garden and yard service. Through communication with the client the logo was conceptualized and illustrated in 3 levels of iterations. This project shows brand strategy, illustration skills, and logo design with understanding of production standards.
